OC BIO TRUCK WASH

Fully Biodegradable Detergent

Product Description

OC BIO TRUCK WASH is a fully biodegradable detergent degreaser which effectively removes dirt, road grime, oil, grease, insects and dust from vehicles and a variety of other surfaces. It is easy to use and can be diluted at various ratios depends on requirements.

OC BIO TRUCK WASH possesses excellent properties that help split the dirt from the cleaning solution which assists in waste water disposal via separator equipment.

Applications

OC BIO TRUCK WASH is suitable for cleaning all vehicles and trucks leaving the body work clean and shiny. It is also suitable for a range of cleaning operations in the factory and workshop.

Benefits

Feature	Benefit
Made with raw materials that are biodegradable to AS4351	Meets the Standards Australia Test requirement for Biodegradability.
Rich clinging foam	Enables thorough cleaning of surfaces and can be foamed up.
Quick Break	Has quick break properties to assist in waste water disposal via separator equipment.
Salt & hard water tolerant	Suitable for use in hard, soft and salt water environments.
Multi-cleaning Operations	Use at various dilutions reduces inventory of cleaning products on site.

Method of Use

Foaming Equipment: Recommended dilution rate is between 5 and 20% dependent on the dirt/soil to be removed.

High Pressure Water Washers: Add **OC BIO TRUCK WASH** undiluted to the detergent tank. Adjust detergent feed to suit cleaning requirements. Leave on surface for 10 minutes and then rinse off with clean water.

Mechanical Vehicle Washers: For gantry or funnel type with spray, rotating brushes or rollers. Recommended dilution rate is 5%.

Manual Applications: Recommended dilution rate is 5% (1 in 20, ie 50mls per litre) with hot or cold water. Apply to surface with a mop, brush or sponge. Rinse off with water.

For Vehicle Washing dilute between 3 to 5%, for hard surfaces dilute at 2.5% and apply cleaning solution directly to surfaces. Allow time for the detergent to penetrate (10 minutes). Rinse off with high pressure clean water.

Safety Precautions

Keep out of reach of children. If swallowed, **DO NOT INDUCE VOMITING**. Give a glass of water. Seek immediate medical assistance. As with most detergents, prolonged contact with skin may cause irritation. When handling, wear PVC or rubber gloves. Avoid contact with skin and wear safety glasses. Do not mix detergent with other chemicals.

Spillages

Spillages are slippery. Contain and absorb with an inert absorbent material and dispose of in an approved manner. Wash any residue away immediately.

Caution

As with any vehicle detergent, DO NOT apply **OC BIO TRUCK WASH** to hot surfaces (such as vehicles exposed to strong sunlight). DO NOT allow detergent solution to dry on vehicles before washing off.
